

## **Advanced Technology Services, Inc. Rebrands Managed IT Services as Innovative Technology Solutions**

*Newly Consolidated Division will Offer Full Range of Managed IT  
Services on a National and Global Scale*

**PEORIA, IL (DECEMBER 14, 2018)** — [Advanced Technology Services, Inc.](#) (ATS), a leading global manufacturing services and IT solutions provider, today announced they are rebranding their managed IT services offering as a new division: [Innovative Technology Solutions](#) (ITS). By consolidating their existing managed IT services with the ITS, LLC subsidiary acquired in December 2017, ATS creates a new IT focused division with increased market share, a more diversified customer portfolio and over 50 years of combined experience.

Leveraging ATS' corporate infrastructure, supply chain vendors and partner networks, Innovative Technology Solutions will provide expanded support to meet the demanding digital needs of mid-to-large enterprises for managed IT and technology consulting services. These value-driven support services include: IT Consulting, Service Desk Management, Client Computing Management, and System Performance Management.

Leading the ITS division will be Dan Glazier, VP of Business Development & Strategy; and David Corey, VP of Operations. Reporting to David will be John Raos, Operations VP and Rob Tapp, Director of Operations. Dan and David as senior executives will report to Bill Lutz, ATS President and COO.

"Consolidating our diverse array of managed IT services under the ITS brand will bring greater penetration and focus to our customer portfolio," commented Lutz. "We will increase our market share in industries ranging from manufacturing and healthcare to travel and hospitality. Furthermore, as a separate brand and corporate division, ITS not only maximizes the value proposition of our IT offerings, but also allows our ATS brand to stand clearly for industrial and manufacturing excellence."

In December, 2018 a refreshed ITS brand ID will be unveiled along with the debut of a new website design and URL, [www.innovativetech.com](http://www.innovativetech.com). Full integration of all managed IT service operations under the new ITS division are on track to be completed by April, 2019.

ATS' new ITS division employs a combined workforce of approximately 530 highly-proficient IT employees and contractors. The division will be headquartered at ATS' corporate office in Peoria, IL with regional offices in Schaumburg, IL, Manalapan, NJ, and Palm City, FL along with global offices in the UK and Mexico.

### **About Innovative Technology Solutions:**

*Innovative Technology Solutions (ITS) is a leading provider of managed IT services that enhance enterprise IT through scalable solutions in device management, service desk, network monitoring and more. With a focus on end user satisfaction, ITS delivers increased employee productivity, optimized system performance and strategic value through measurable infrastructure ROI.
